NEW ECOLOGY

IP65 Distribution enclosures

The IP65 distribution boxes are made from halogen free long-lasting thermoplastic materials of the highest quality, available in two versions: ABS and polycarbonate. They have a large internal space for wiring and modular capacity from 4 up to 54 modules. Designed for internal and external uses where a high degree of protection is required.

Certifications

According to Low Tension Directive 2006/95/CE.
Norms: UNE-EN 62208 IEC 62208:2011.

Product range

Distribution enclosures with 4, 6, 8, 12, 18, 24, 36 y 54 modules.

ABS material

- Protection degree: IP65.
- Impact resistance: IK08.
- Resistance to glow wire: 650°C.
- Ball pressure test: 70°C.
- Range of temperature under normal conditions: -25°C / +40°C.
- Use maximum tension: 1000 V AC/ 1500 V CC.

Materials (halogen free):

- Case and frame opaque in ABS RAL 7035.
- Smoked transparent window in polycarbonate.

Polycarbonate material

Recommended for external use: UV protection under ISO standard 4892-2 method A:1000 h.

- Protection degree: IP65.
- Impact resistance: IK08.
- Resistance to glow wire: 650°C.
- Ball pressure test: 70°C.
- Range of temperature under normal conditions: -25°C / +40°C.
- Use maximum tension: 1000 V AC/ 1500 V CC.

Materials (halogen free):

- Case and frame opaque in polycarbonate RAL 7035.
- Smoked transparent window in polycarbonate.

Available in ABS and Polycarbonate, with transparent window

TECHNICAL CHARACTERISTICS

Case

- Reinforced strip which gives better rigidity.
- Double height case which offer more internal space for wiring and fitting switchgear.
- Pre-moulded cable entries for M40, M32, M25 & M20.
- Case grooves for mounting plates and fixing accessories.
- Sealed screws in four points for easy installation.
- 125A earth and neutral bars with double height available, (only with accessory reference/RR).
- Removable chassis for models with two or more rows.

Window

- Reversible window with horizontal 180° opening.
- Smoked transparent window which provides UV protection.
- Possibility of key or triangle locks (available as accessories).
